WEBSTER HALL at the West Hartford Library
20 South Main Street, West Hartford

Wednesday
AUGUST 10th 6:30pm

A FILM BY JOSEPH MEALEY AND MICHAEL PARADIES SHOOB

Many Washington insiders believe that the strength of the Bush machine lies not in its leader but in Karl Rove, the man who picked Bush to run for Governor of Texas, tutored him on the workings of government, and ran brilliant yet brutal campaigns that would eventually sweep Bush into the Presidency. In Bush's Brain, viewers will enter the powerful world of White House Senior Advisor Karl Rove and learn how this man created George W. Bush and continues to keep him on top.

THIS FILM IS BASED ON THE BOOK: BUSH'S BRAIN: HOW KARL ROVE MADE GEORGE W. BUSH PRESIDENTIAL, BY JAMES C. MOORE AND WAYNE SLATER

OUTFOXED:

Rupert Murdoch's War on Journalism

Tuesday,
AUGUST 30th, 6:30pm

A FILM BY DIRECTOR/PRODUCER ROBERT GREENWALD. 77 MINUTES

"Outfoxed" examines how media empires, led by Rupert Murdoch's Fox News, have been running a "race to the bottom" in television news. It provides an in-depth look at Fox News and the dangers of ever-enlarging corporations taking control of the public's right to know.

Media experts, including Jeff Cohen (FAIR), Bob McChesney (Free Press), Chellie Pingree (Common Cause), Jeff Chester (Center for Digital Democracy) and David Brock (Media Matters) provide context and guidance for the story of Fox News and its effect on society.

This documentary also reveals the secrets of Former Fox news producers, reporters, bookers and writers who expose what it's like to work for Fox News. These former Fox employees talk about how they were forced to push a "right-wing" point of view or risk their jobs. Some have even chosen to remain anonymous in order to protect their current livelihoods. As one employee said "There's no sense of integrity as far as having a line that can't be crossed."

Free! Open to the Public! Discussion follows each film.
